Dear Mr. Pirtle:

The Agency has been notified that manifest number(s) 1455009, 11/12/85 were rejected at the Peoria Disposal facility. Please verify that the above listed manifest(s) were received at your company by completing the attached form.

Please print the following information on the attached sheet: Illinois generator ID # and company name, manifest number that was rejected and the date that manifest was shipped. Confirm yes or no the manifest was returned to your facility. If the waste has been re-manifested fill in the manifest # and the date shipped. Include photocopies (white copy Part 1) of the re-manifested waste. If the waste was not re-manifested write what you plan to do with the rejected load in the comment section. Due to the importance of this matter I am requesting you respond within 15 days of the letter date.

Should you have any questions, feel free to contact me at 217/782-6761.

Sincerely,

Cynthia D. Ladage
